PAST PERFORMANCE

U.S. Department of the Treasury

In support of various undercover investigations, we provided more than 770 hours of translation and transcription services for audio recordings, case files, and documents from Spanish to English. All documents were highly sensitive and required confidentiality and discretion.

Medical University of South Carolina (MUSC)

Since 2017, we have proudly supported MUSC through two contracts, providing expert translation and interpretation services. Our team of certified translators and interpreters is crucial in facilitating clear communication between patients and healthcare providers. Our services assist in understanding patient diagnoses, care plans, sensitive information, and medical records. This essential service helps to advance patient communications at MUSC, ensuring that every patient receives the care and understanding they need.

Berkeley Charleston Dorchester Council of Governments (BCDCOG)

We are the BCDCOG Latinx Liaisons reaching, educating, and building connections within the Latinx community regarding various transportation projects throughout the tri-county area. Our team conducted extensive research and made recommendations on demographics, language nuances, engagement strategies, media opportunities, and more. We continue to provide translation services for various marketing materials.
